Principal's Message:

I would like to take this opportunity to thank all of our students, staff and parents for making this school such a special place to learn. This has been a fabulous year. We have had many exciting times amongst all the learning that has taken place. What an amazing group of students. I'm so impressed with the effort and determination that students have put into achieving their personal best - well done! In particular I would like to say congratulations to our grade seven students who are moving on to high school. We wish you all the best. Please don't forget your "Panther Pride".

We wish all our families a wonderful and safe summer holidays and look forward to another exciting year next year!

School will officially start on Tuesday, September 6th.

Our regular school hours from 9:00am-3:00pm will begin the following day. **Kindergarten** parents please refer to your **revised** "phase in" schedule which allows for a gradual entry. All Kindergarten students will attend

from 9:00-9:45am our first day back. (**Please do not bring school supplies on the first day).

NEW STUDENTS

Please plan to be at the school before the first bell which rings at 8:55 am. On our first day, if you are already registered you will be welcomed in our school gym. New students not yet registered should report to the school office. All new students will be taken to temporary age-appropriate classrooms for the morning and will return to the gym for pick up at 12:00 noon. Starting the next day, new students will return to their temporary classrooms each day until regular classes are formed. Students will be informed as to which door they should be dropped off and picked up from. If you have any questions please come to the office.

RETURNING STUDENTS

Please plan to be at the school before the first bell which rings at 8:55 am. Students should line up at the door they came through in June. Our grade 1 students (last year's K's) will be met at their old door and will be brought to the library. They will be returned to the same doors for dismissal. Students in grades 2-7 will be taken to their last year's classrooms until regular classes are formed.

Lion King

I would like to congratulate and thank all our students, staff and countless volunteers who made our Lion King performance so GREAT!!!! A special congratulations to our key cast members who worked so hard to memorize lines and who committed themselves to learning their roles. You were all SO fabulous! Our students are so fortunate to have the opportunity to be part of a musical of this magnitude in elementary school. Thank you so much to our PAC for supporting the fine arts at our school. Thank you Mrs. Saip, Mrs. Campbell, Mrs. Jakubec and Ms. Susie Green (choreographer) for your time and dedication to making this happen. Thank you as well to ALL our volunteers that helped with sound, the backdrop, lighting, make-up, costumes-the list goes on... We cannot have such amazing experiences for our students without the help of volunteers. We so appreciate your time.

Congratulations Pebble Hill Traditional!!!!!!!!!!!!
