First off I would like to say thank you Mrs. Hopkinson for letting us do this. It is so exciting for us to do this and to have all the school read this. I want to inform all the parents that the P.A.C. is open to new members and would like you to join. the P.A.C. helps the school arrange awesome events like the movie night or the meet the teacher barbeque. The P.A.C is awesome and I would like to thank all current members and the ones to come. Thank you very much.

# Electro Recycling

First of all we had an amazing year of collecting electronics again and I would like to congratulate the winners which is Devon Gardens near Surrey and they collected 707 kg in electronics. We collected 435.5 and came 2nd place. That means we get a pizza party again, which will be on February 21st. As you probably know we won 2 years in a row. This year we created a promotional video to be sent across the district to encourage others to win. Thanks electro recycle team. -Taylor

Congratulations to Liam S in Div 1! Recently the school found out they had a problem with the logo and it being somewhat too close to the logo of a well known NFL team the Carolina Panthers. So to fix this Mrs. Hopkinson started a contest in were the students could submit a drawing for the new logo. Liam made an awesome logo and so did you if you entered the contest. All the logos were great and we wish for you all to contribute

more towards Pebble Hill.
