

# PEBBLE HILL TRADITIONAL

This is a September like no other! We have missed seeing all of you and we are so excited to see everyone and to hear the sounds of children in our building again! We are so happy to be welcoming everyone back to Pebble Hill from our Kindergartens to Grade 7s.

We wanted to let you know what you can expect in the first week of Pebble Hill’s September Return to School.

Tuesday Sept 8th	Wednesday Sept 9th	Thursday Sept 10th	Friday Sept 11th

All Gr 1-7 students will attend school on BOTH Thursday and Friday for 75 minutes at a time in small groupings. We have divided students alphabetically by their last name and assigned a time for each student. [See the chart on the next page for your child’s time slot. You will receive an email by Wednesday, Sept 9th letting you know where on the school grounds your child should meet at his/ her given time slot.](#) Please remember to physical distance on the school grounds. Each of the orientation days, students will focus on familiarizing themselves with their new learning group and developing routines around the health and safety protocols that are now in place at Pebble Hill. Our school looks a little different than it has, as we follow protocols to keep as safe as possible.

If your last name begins with...	Sept 10 & 11 - Please come to school at...
A-H	9:00am -10:15am
I-P	10:45am - 12:00pm
Q-Z	1:00pm - 2:15pm

## Health and Safety

Before sending your child to school, parents are expected to assess your child(ren) daily for symptoms of common cold, influenza, COVID19, or other infectious respiratory disease. Children who show any signs of illness should stay at home and parents must notify the school. If your child does become sick while at school, they will be isolated and you will be notified and asked to pick up your child as soon as possible. Look for a new Health Check coming soon.

## Masks

Students and families can expect to see non-medical face masks at school. Teachers and school staff will be wearing masks and/or face shields in different areas around the school. The choice to wear a mask, or not, is a personal, family decision. If you send your child with a mask, please ensure your child has been taught all of the protocols of wearing a mask prior to coming to school.

### Please Note:

If you are planning on choosing one of the Home education options, and you haven't yet let the school know, please me at [lalkema@deltasd.bc.ca](mailto:lalkema@deltasd.bc.ca) as soon as possible.

Sincerely,

L. Alkema, Principal
